Allen Park

Just steps away from the hustle and bustle of Raleigh, lies Allen Park. A place for new beginnings, where the lifestyle comes built-in. Allen Park's location is special - perched right in the vibrant, inclusive and growing community of Knightdale. Like us, Knightdale had to grow from scratch, and always finds itself improving. It holds the promise of a community that's written its own script; with entrepreneurs finding their dreams there, colorful walks of life coming together, creating a place that's both new and full of keystone memories. We've created brand new collections for Allen Park, inspired by the spirit of Knightdale. These homes celebrate the memories we'll never forget, like hearing our favorite band in an iconic concert venue, or honoring how we may show up in the world - in our new community. We build the home, you create the life, and stories lived in it. Whether that's being a pickleball dominator, or getting your hands dirty in the community garden, Allen Park is the place for new beginnings, for changemakers, for those who write their own script.

Embrace the custom-made life at Allen Park. Joyfully Built. Meaningfully Different.
