Home Priced At  
**\$374,040**

Plan: Buttercup

Elevation: B

 1,444+ Sq. Ft.

 3 Bedrooms

 2.5 Bathrooms

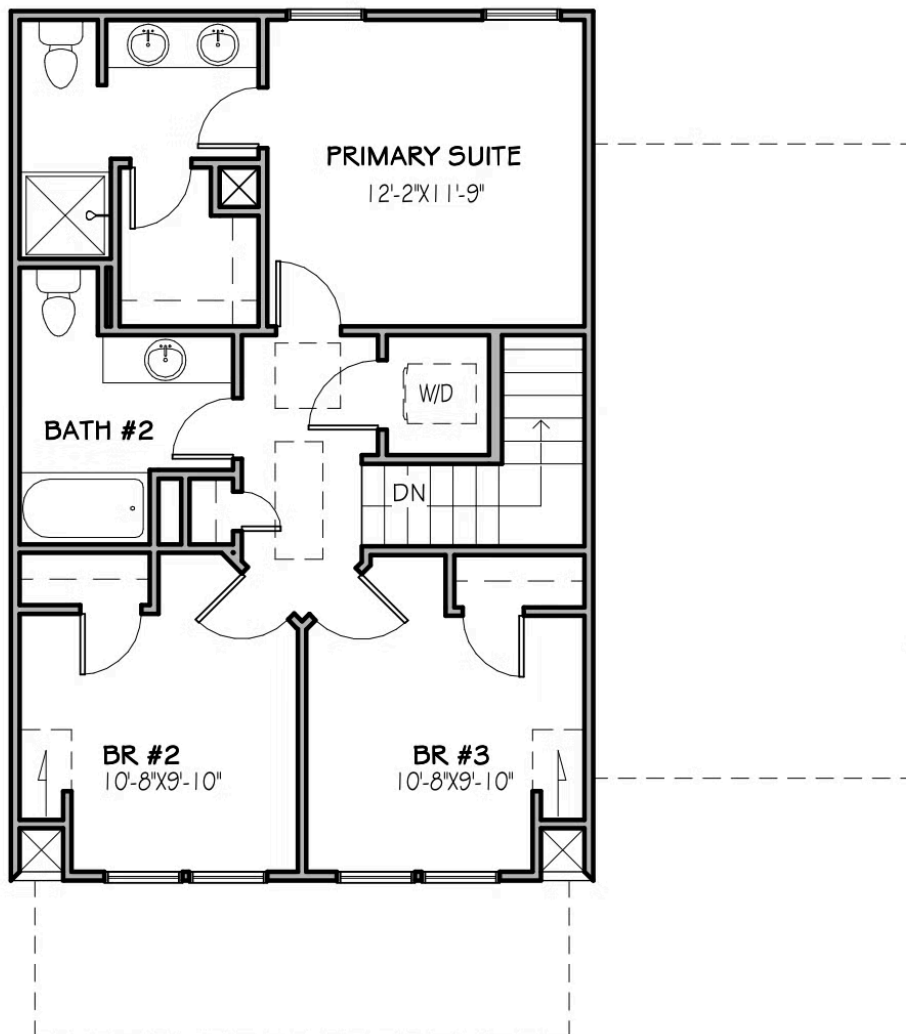

Much like the buttercup flower, which is often said to represent joy, happiness, and friendship, this home design will allow you to channel these same outlooks on life. A welcoming front porch, a capacious dining and family room, a breakfast room and kitchen perfect for entertaining friends, rounded out with the tranquil Yin & Yang curated interior package. Relish living jubilantly in the Buttercup. Joyfully Built. Meaningfully Different.

## First Floor

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
