Plan: Five Peaks

 2,009+ Sq. Ft.

 3 Bedrooms

 2.5 Bathrooms

It's impossible to miss the five peaks on your way into Breckenridge, CO. They cut through the sky with awe, but each peak is unique and full of endless possibilities. Like this floor plan, set up for the life ahead of you, and all the ways you will live your life in your home. There's peace in the sky-high ceilings and an open living space where you can belt out songs from this home's curated interior design package inspiration: "Sonny & Cher". The First Floor primary suite feels as expansive as the sky, and upstairs, adventure awaits with two additional bedrooms, a bathroom, and a spacious loft.
