Plan: Blue Satin Sashes **Elevation:** A

2,117+ Sq. Ft.

- 📭 4 Bedrooms
- 🛀 2.5 Bathrooms

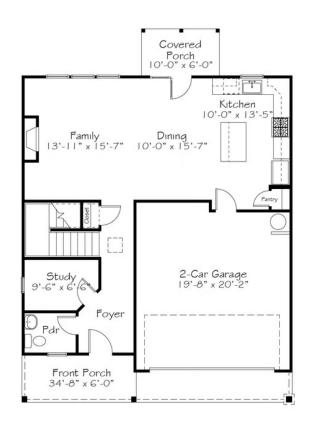

Perfectionists and recovering perfectionists alike will understand the allure of wearing a sash for a job well done. Put one on and immediately feel special. Recognized for your efforts. This home is designed to feel like you're wearing a Blue Satin Sash every day. A Blue Satin Sash for your job well done of being who you are and building the life you want. Blue Satin Sashes might be the perfect home for someone who stays active, thrives on productivity and knows all the life hacks! Enjoy four bedrooms and use them to boost your quality of life in whatever way you deem necessary. You deserve a Blue Satin Sash. This home has been completely upgraded with our designer-curated interior package, inspired by the iconic duo, Snoop & Martha.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
