In every friend group, there's the bold and beautiful one. And we aren't only talking about outward appearance - but the beauty within. That striking friend who goes after their dreams fearlessly, whose confidence shines through and is contagious. This house is just that. When you drive past it on the street, it's going to make you double-take with its tall windows and contrasting facade. And inside, life is meant to be lived boldly. Without fear. With everything you need on one floor, like four spacious bedrooms and expansive living space, life just becomes simply beautiful. Our designer-curated Snoop & Martha package make their own bold appearance at 6752 Honeycutt Reserve Drive, mixing colors and finishes with style & grace - just like their namesake.
