In every friend group, there's the bold and beautiful one. And we aren't only talking about outward appearance - but the beauty within. That striking friend who goes after their dreams fearlessly, whose confidence shines through and is contagious. This house is just that. When you drive past it on the street, it's going to make you double-take with its tall windows and contrasting facade. And inside, life is meant to be lived boldly. Without fear. With everything you need on one floor, like four spacious bedrooms, a study, a 3-car garage and expansive living space, life just becomes simply beautiful. This home has been upgraded with the Luke & Leia designer curated interior package.
