Plan: Clever & Creative

 3,076+ Sq. Ft.

 4 Bedrooms

 3.5 Bathrooms

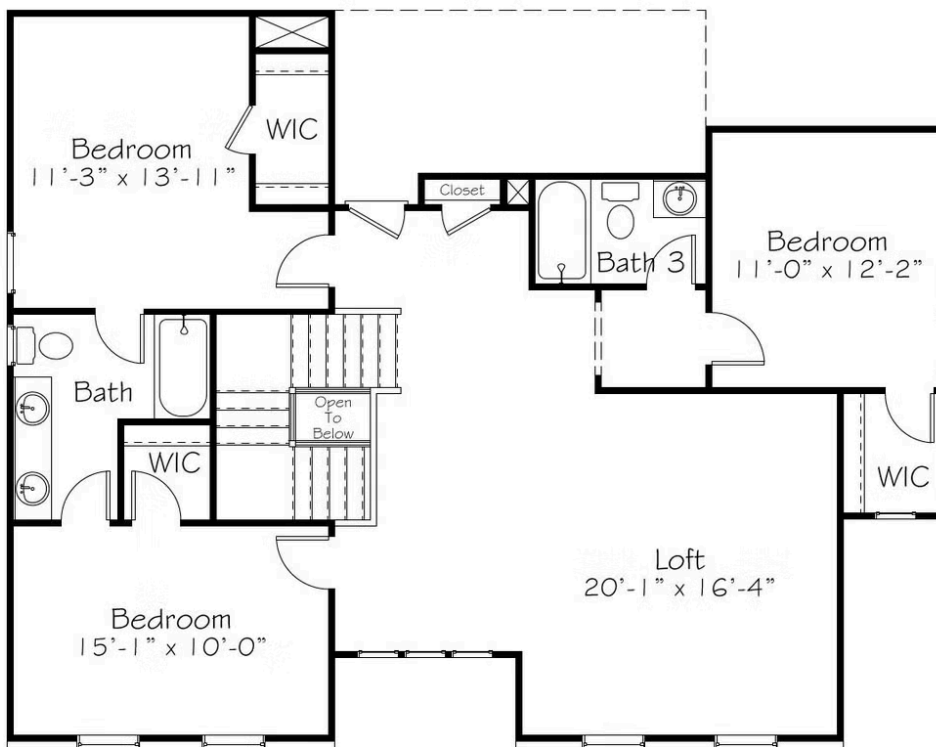

Ever have a friend who never fails to blow you away with their ingenuity and wit? They are a treasure. We're inspired by those friends who always have a creative solution, even amid chaos - aka everyday life. With rooms that delight, like a spacious loft and a pantry worth bragging about - there is no shortage of clever solutions to make your everyday rituals easier and more joyful in this plan. It's like coming home to your friend who always has a solution for you. How about these clever features: 4 bedrooms and 3.5 baths, study on main floor, teen or guest suite with private bath upstairs, and 3-car garage.

First Floor

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
