Plan: Barreto

Elevation: B

 2,547+ Sq. Ft. 3 Bedrooms 3.0 Bathrooms

Honoring fallen soldier and Hero, SFC Elis Barreto, and the Barreto Family, whom we built and dedicated the 22nd Hero Home, this is the Barreto Townhome. This three-story luxury townhouse includes a 2-car garage, a powder room, and a first floor rec room (perfect for early morning workouts or late afternoon playtime.) The front porch not only serves as an aesthetic eye-pleaser, but also allows for quick and easy access for all of shops and amenities that Treelight Square has to offer. The second floor features a thoughtful open floor plan living space, an over-sized kitchen with a sit down island and a dining room big enough for eating, entertaining or sharing the occasional treat brought home from Sonder Coffee or Don Beto's Tacos & Tequila. The third floor includes a massive Primary Suite, two additional bedrooms, and spacious laundry room.
