Plan: Paper **Elevation:** A

1,619+ Sq. Ft.

3 Bedrooms

2.5 Bathrooms

This Paper with designer-curated package "C ream & Sugar" offers an open expanse on the first floor like a new sheet of looseleaf paper, ready to write the story that begins with a gathering at the oversized island. A cozy room in the front for dining and a larger space at the rear for entertaining friends or binge watching alone until the streaming service asks if you're still there. Upstairs a primary suite is sized for rest, reflection and relaxation. Two equally sized secondary bedrooms and a hall bath settle the score on whose room is bigger. No game of Roshambo needed. This Paper takes it all.
